1 OVERVIEW OF FUNDING OPPORTUNITY

1.1 PROGRAM TITLE
Graduate Medical Education Expansion Grant Program ("GME Expansion Grants")

1.2 SYNOPSIS OF PROGRAM
This specific Request for Applications ("RFA") solicits applications from eligible Graduate Medical Education (GME) programs that have not previously received a GME Expansion Grants award and that intend to create new First-Year Residency Positions in the state by establishing or expanding a GME program.

Additional information is provided in Section 3, Eligibility Information.

1.3 PROGRAM AUTHORITY
The statutory authority for GME Expansion Grants is found in Texas Education Code, Graduate Medical Education Residency Expansion, Sections 58A.023, 58A.024, and 58A.0246, which directs THECB to award grant funding to enable GME programs to increase the number of First-Year Residency Positions.

1.4 POINT OF CONTACT
All inquiries and communications concerning this RFA should be directed in writing via email to:

Suzanne Pickens
Senior Program Director
Texas Higher Education Coordinating Board
Email: GME-Expansion@THECB.state.tx.us

No contact shall be made with other THECB personnel regarding this RFA. Failure to comply with this requirement may result in the disqualification of an Application.

2 AWARD SUMMARY

2.1 MAXIMUM NUMBER OF AWARDS ANTICIPATED AND MAXIMUM AWARD AMOUNT

2.1.1 Award Per Residency Position. Award amount is $75,000 per year for each residency position awarded and filled in July 2019.

2.1.2 Maximum Number of Awards. The maximum number of residency position awards is contingent on the number of qualified residency positions projected to be filled during the Grant Period and the amount of appropriation available.

2.1.3 Maximum Number Submissions. An eligible Applicant may request awards for multiple qualified residency positions in one or more eligible programs. A sponsoring institution should submit one application that includes all eligible residency programs for which an award is being requested.
2.2 PAYMENT TERMS

GME Expansion Grants are funded through state general appropriations. Awarded Applicant shall receive payments through the Texas Comptroller of Public Accounts. The THECB shall not disburse awarded funds until the NOGA has been fully executed.

Payments to Awarded Applicants are anticipated to begin in May-June 2019. The THECB will disburse funding upon verification that the awarded residency positions have been filled for the academic year commencing July 2019. The payment amount for each awarded program will be determined by the actual number of awarded positions verified as filled.

The THECB is not bound by any award estimates in the RFA. Funding may be reduced or terminated if funds allocated to the THECB for the year of this program should become reduced, depleted, or unavailable during the Contract Term. As consistent with the Uniform Grant Management Standards (UGMS), after making a finding that an Awarded Applicant has failed to perform or failed to conform to Grant Conditions, the THECB may retract or reduce the Grant Amount for the Awarded Applicant.

Expenditures of GME Expansion Grants award funding shall not commence before July 1, 2019. Grant funds must be expended by June 30, 2020. Grantee institutions shall return any unexpended funds after the end of the Grant Term, at the time of submission of the Final Financial Report.

2.3 PRIORITY OF FUNDING ALLOCATION

The funding available to support GME Expansion Grants during the Grant Period will be awarded based on the number of qualified residency positions projected to be created and filled for the GME academic year beginning in July 2019. Only eligible Applicants and GME programs as defined in Section 3.2 will be selected for awards.

In accordance with the Texas Health and Safety Code, Section 105.009, the Texas Department of State Health Services (DSHS) is required to conduct research identifying those specialties and subspecialties in the state that are at critical shortage levels, the overall supply of physicians in the state, and the ability of the state’s graduate medical education system to meet the current and future health care needs of the state. In July, DSHS published its report summarizing results from primary care physician and psychiatrist supply and demand projections through 2030. The results indicate current physician shortages in primary care specialties and psychiatry throughout the state. Demand is expected to outpace supply, with the shortage severity expected to increase throughout the projection period. The greatest regional shortage for Primary Care Specialties is in the Rio Grande Valley; the greatest regional shortage for psychiatrists is in North Texas.

Texas Education Code, Section 58A.0245, requires the THECB to prioritize the awarding of new grants to medical specialties at critical shortage levels in the state, as indicated by results of the research conducted by DSHS and other relevant research.

The following priority criteria for Applicant selection will be applied in the order listed below:

1. Family Medicine Residency Programs: Expand an existing or establish a new Family Medicine Rural Training Track.
2. Psychiatry Residency Programs located in North Texas, as defined by Texas Public Health Regions 2 and 3: Expand an existing or establish a new program.

3. Primary Care Residency Programs located in the Rio Grande Valley, as defined by Texas Public Health Region 11: Expand an existing or establish a new program.

4. Primary Care or Psychiatry Residency Programs: Expand an existing or establish a new program in a rural area, which is defined as 50 percent or greater rural population as measured by the U. S. Census Bureau.

5. Primary Care or Psychiatry Programs: Expand an existing or establish a new program located in the state.

6. GME Programs: Expand an existing or establish a new program in a rural area, which is defined as 50 percent or greater rural population as measured by the U. S. Census Bureau.

7. GME Programs: Expand an existing or establish a new program in a medical specialty and location not specified in criteria 1 through 6 above.

For additional information Refer to Section 8, Selection of Applicants for Awards.

2.4 GRANT PERIOD

The Grant Period is from July 1, 2019 through June 30, 2020 (Grant Period).

2.5 APPLICATION TIMELINE

The application process for this RFA is anticipated to proceed according to the published application timeline. The THECB reserves the right to revise this timeline or any portion of this RFA by publishing an addendum. A Calendar of Events for the entire Grant Period is in Appendix B.

6 PROGRAM BACKGROUND

In 2013, the 83rd Texas Legislature appropriated $12 million to support several efforts to increase the number of First-Year Residency Positions available in the state. The goal of the initiative is to achieve 10 percent more First-Year Residency Positions than Texas medical school graduates. In 2015, the 84th Texas Legislature streamlined the efforts into one GME Expansion Program to encompass the programs created separately in 2013. An appropriation of $50 million was made to support the continuation and further increase in the number of First-Year Residency Positions. In 2017, the 85th Texas Legislature increased funding to $97 million to continue support for the program in the 2018-2019 biennium.

From 2014 to 2018, the efforts to increase the number of First-Year Residency Positions have provided Texas medical students with a greater opportunity to remain in the state for their residency training. However, despite substantial progress, the establishment of three new medical schools that matriculated students beginning in 2016 and 2017, the THECB approval in August 2018 of a new medical school, and the pending THECB consideration of two additional medical degree programs, will require a further increase in the number of First-Year Residency Positions to maintain the 1.1 to 1 goal.

7 USE OF AWARD FUNDS

7.1 ALLOWABLE COSTS

7.1.1 Funds awarded under GME Expansion Grants must be expended to support direct resident costs in the following Allowable Budget Categories:

a. Resident Compensation: Salaries/stipends and benefits for residents participating in the awarded program

b. Professional Liability Insurance: For residents participating in the awarded program

c. Other Direct Resident Costs, as justified in the Application and approved by the THECB

7.1.2 Other categories of expenditures, including Indirect Costs, are not allowed.

7.1.3 Expenditures are not restricted to the actual residents who fill the positions that were the subject of the award. GME Expansion Grant funds may be expended on allowable direct resident costs for any of the residents participating in the GME program that receives the Grant, with the provision that the awarded positions remain filled during the Grant Period. See Appendix D for additional detail on use of award funds.

7.2 PROHIBITED COSTS

Programs are prohibited from expending Grant funds on the following:

• Salaries/stipends and benefits payments for residents subsidized by the military, Public Health Service, or other federal agencies. Such residents should not be reported under Section 10.3 of this RFA.

• Salaries/stipends and benefits that are calculated at a higher pay rate than that which an individual (or similar position) normally receives at the sponsoring institution or participating site.

• Professional liability insurance for professional activities outside the participating residency
7.3 FINAL AWARD BUDGET AND CHANGE REQUESTS

7.3.1 Final Award Budget. Each GME program selected for a Grant award shall provide the THECB with a Final Award Budget detailing the uses of award funds in the Allowable Budget Categories during each year of the grant period. The budget must include only GME Expansion award funds.

7.3.2 Budget Changes to the Other Direct Resident Costs Category. Any increase in Other Direct Resident Costs requires prior approval from the THECB, followed by Grantee submission of a revised budget.

7.3.3 Budget Changes to the Resident Compensation or Professional Liability Insurance Categories. Expenditures greater than approved amounts in Resident Compensation or Professional Liability Insurance are allowable, provided that all expenditures are within allowable cost categories and that overall expenditures do not exceed total grant award. For any increase greater than $25,000 in these budget categories, Grantee must submit a revised budget to the THECB.

7.4 LAST DAY OF EXPENDITURES

GME Expansion Grants award funding must be expended by June 30, 2020.

12.4.1 Submission of an Application confers no rights of Applicant to an award or to a subsequent Contract, if there is one. The issuance of this RFA does not guarantee that a Contract will ever be awarded. The THECB reserves the right to amend the terms and provisions of the RFA, negotiate with Applicant, add, delete, or modify the Contract and/or the terms of Application submitted, extend the deadline for submission of Application, or withdraw the RFA entirely for any reason solely at the THECB’s discretion. An individual Application may be rejected if it fails to meet any requirement of this RFA. The THECB may seek clarification and additional documentation from Applicant at any time, and failure to respond within a reasonable timeframe is cause for rejection of an Application.

12.4.2 Upon execution of a Contract resulting from this RFA, the term ‘Applicant’ shall have the same meaning as ‘Awarded Applicant’ or ‘Grantee.’ Likewise, the terms ‘Request for Applications’ and ‘Application’ shall have the same meaning as the term ‘Contract’ or ‘Agreement.’

12.4.3 The THECB shall not execute the THECB’s GME Expansion Grants Notice of Grant Award (NOGA) until verification of filled positions, as described in Section 8.4, is deemed complete by the THECB staff. In addition, a Final Award Budget approved by the THECB staff must be on file with the THECB. (See Appendix E for a sample NOGA.)

12.5 ASSIGNMENT OR SUBCONTRACTING

No rights, interest, or obligations in a Contract resulting from this RFA shall be assigned, delegated, or subcontracted by Awarded Applicant without prior written permission of the THECB Point of Contact. Any attempted assignment, delegation, or subcontract by Awarded Applicant shall be wholly void and totally ineffective for all purposes unless made in conformity with this Paragraph. No delegation, assignment, or subcontract shall relieve Awarded Applicant of any responsibility under this RFA. Such an assignment, delegation, or subcontract may represent a breach of the award or the subsequent contract. Such an assignment, delegation, or subcontract does not remove ultimate responsibility and liability from the Awarded Applicant.

12.6 GRANT EXTENSION

Grant Extensions are not allowed under this RFA.

12.7 PROPRIETARY INFORMATION

During the performance of a project implemented under a Contract resulting from this RFA, Awarded Applicant may have access to data, information, files, and/or materials (collectively referred to as “data”), which are the property of the THECB. These data shall be handled in a method that concurs with the Family Educational Rights and Privacy Act (FERPA) regulations and guidelines.

Applicant agrees (1) to protect any confidential student information it receives or accesses that could make a student’s identity traceable, and (2) any confidential data analysis or report shall not be disclosed to any third party without the THECB’s prior written consent.

Awarded Applicant shall have a system in effect to protect all data received or maintained in connection with the activities of this RFA. Awarded Applicant agrees to use its best efforts to preserve the safety, security, and integrity of the data, and to ensure the privacy and confidentiality of all data. Any disclosure or transfer of proprietary information by Awarded Applicant shall be in accordance with applicable federal or Texas law.

12.8 RELEASE OF INFORMATION BY AWARDED APPLICANT

12.8.1 FERPA. Awarded Applicant shall NOT release any data that is not FERPA compliant. Failure to follow the guidelines established may result in immediate termination of the Contract.

12.8.2 Prior Notification. Publication, including presentations, is encouraged; however, Awarded Applicant agrees to notify the THECB prior to the publication of any information, including results, findings or reports, regarding the activities being conducted under any Contract/Grant resulting from this RFA. Awarded Applicant shall ensure the following statements are included in any published work:

This work was supported in whole or in part by a grant from the Texas Higher Education Coordinating Board (THECB). The opinions and conclusions expressed in this document are those of the author(s) and do not necessarily represent the opinions or policy of the THECB.

12.8.2.1 Potential Publication in News Media of any type. Should Awarded Applicant be contacted by any news media about any information, including results, findings, or reports regarding activities being conducted under any Contract/Grant resulting from this RFA, Awarded Applicant shall notify its THECB Point of Contact, when possible, before communicating with news media. When not possible, Awarded Applicant shall notify its THECB Point of Contact immediately after concluding the communication with the news media.

12.8.2.2 Should Awarded Applicant desire to contact any news media about any information, including results, findings, or reports regarding activities being conducted under any Contract/Grant resulting from this RFA, Awarded Applicant shall notify its THECB Point of Contact before communicating with news media.

12.8.3 Any written publication shall be sent electronically to the THECB Point of Contact.

12.9 RELEASE OF APPLICATION INFORMATION BY THECB

12.9.1 Public Information Act. Awarded Applicant understands and acknowledges that as a Texas state agency, the THECB is subject to the provisions of the Texas Public Information Act, Government Code, Chapter 552, as interpreted by judicial opinions and the opinion of the Attorney General of the state of Texas. Awarded Applicant will cooperate with the THECB in the production of documents responsive to any such requests under the Public Information Act. Awarded Applicant is required to make any information created or exchanged with the state pursuant to this Agreement, and not otherwise excepted from disclosure
under the Texas Public Information Act, available in a format that is accessible by the public at no additional charge to the state. The THECB will make a determination whether to submit a Public Information Act request to the Attorney General. This RFA, Awarded Applicant’s Application, any Grant awarded to the Applicant, and all data and other information generated or otherwise obtained in its performance may be subject to the Texas Public Information Act. To the extent Grantee is subject to the Public Information Act, Grantee will notify the THECB’s General Counsel within 24 hours of receipt of any third party requests for information it receives relating to this Agreement.

12.9.2 All submitted Applications become the property of the THECB after the RFA submittal deadline date. Upon acceptance of the Contract, all information submitted with Applicant’s Application becomes public record and all information submitted with Awarded Applicant’s Application becomes part of the Contract. Therefore, such information is subject to disclosure under the Texas Public Information Act, unless an exception under the Texas Public Information Act is applicable.

12.9.3 Any proprietary information included in Applicant’s Application shall be subject to disclosure unless such proprietary information was clearly identified by Applicant, and such identification was submitted concurrently with the original submission of the proprietary information. Such identification of proprietary information shall be clearly marked in the Application at each page it appears. Such markings shall be in boldface type at least 14 point font. Additionally, Applicant shall state the specific reason(s) an exception from the Texas Public Information Act is being claimed concurrently with the original submission of the proprietary information.

12.9.4 If Awarded Applicant fails to clearly identify proprietary information with the original submission of the proprietary information, then those Sections will be deemed non-proprietary and made available upon public request after the Contract is awarded. The production of any material under the Contract shall not have the effect of violating or causing the THECB to violate any law, including the Texas Public Information Act.

12.10 AMENDMENT AND TERMINATION

12.10.1 Amendment. Any amendment or change to the Grant which becomes necessary shall be accomplished by a formal Contract amendment signed and approved by duly authorized representatives of Awarded Applicant and the THECB. None of the parties to the Contract will be bound by any oral statements, agreements, or representations contrary to the written Contract requirements and terms and conditions.

12.10.2 THECB Right to Terminate for Cause. As consistent with applicable law, the THECB may terminate the Contract, in whole or in part, immediately upon notice to Awarded Applicant, or at such later date as the THECB may establish in such notice, upon the occurrence of any material breach, including, but not necessarily limited to, non-compliance with requirements and assurances outlined in the RFA or its Section 12 “Provisions and Assurances,” failure to provide accurate, timely, and complete information as required by the THECB to evaluate the effectiveness of the program, or a failure to perform any of the work under the Contract to the THECB’s satisfaction within the time specified herein or any extension thereof. Any instance of non-compliance shall constitute a material breach. The THECB may, in its sole discretion, provide Awarded Applicant with an opportunity for consultation with the THECB prior to termination. If Awarded Applicant fails or refuses to perform its obligations under the Contract, the THECB may exercise any and all rights as may be available to it by law or in equity.
12.10.3 Interpretation. As consistent with applicable law, the Contract may be terminated in the event that federal or state laws or other requirements or a judicial interpretation renders continued fulfillment of the Contract on the part of either party unreasonable or impossible. If the parties hereto should be unable to agree upon amendment which would thereafter be needed to enable the substantial continuation of the services contemplated herein, then, upon written notification by the THECB to Awarded Applicant, the parties shall be discharged from any further obligations created under the terms of the Contract, except for the equitable settlement of the respective accrued interests or obligations incurred up to the date of termination. The THECB reserves the right, at its sole discretion, to unilaterally amend the Contract throughout the Grant Period to incorporate any modifications necessary for the THECB’s compliance, as an agency of the state of Texas, with all applicable state and federal laws, rules, regulations, requirements, and guidelines.

12.10.4 Effect of Termination. As consistent with applicable law, upon receipt of written notice to terminate, Awarded Applicant shall promptly discontinue all Services affected (unless the notice directs otherwise), refund partially or fully all Grant proceeds in accordance with written notice, and shall deliver or otherwise make available to the THECB, a summary of work products developed by Awarded Applicant under the Contract, whether completed or in process. Upon any termination, all indemnities, including without limitation those set forth in the Contract, as well as Contract provisions regarding confidentiality, records retention, right to audit, and dispute resolution, shall survive the termination of the Contract for any reason whatsoever and shall remain in full force and effect. The THECB shall be liable to Awarded Applicant for that portion of the Services authorized by the THECB and which have been completed prior to the effective date of termination, provided that the THECB shall not be liable for any work performed that is not acceptable to the THECB and/or does not meet Contract requirements.

12.10.5 In the event of termination, the THECB reserves the right to negotiate a Contract based on another Applicant’s submission if it is in the state’s best interest.

Awarded Applicant shall then undertake all steps necessary to correct any deficiencies at no additional cost to the THECB. In the event any issues cannot be resolved, the dispute resolution process provided for in Texas Government Code, Chapter 2260, shall be used by the THECB and Awarded Applicant to attempt to resolve any claim for breach of Awarded Applicant.

12.29 SEVERABILITY AND STRICT PERFORMANCE

The invalidity, illegality, or unenforceability of any provisions of the Contract shall in no way affect the validity, legality, or enforceability of any other provisions.

Each and every right granted to the THECB and Awarded Applicant hereunder or under any other document delivered hereunder or in connection herewith, or allowed them by law or equity, shall be cumulative and may be exercised from time to time. Failure by the THECB or Awarded Applicant at any time to require strict performance of any contractual provision or obligation contained herein shall not constitute a waiver or diminish the rights of either party thereafter to demand strict compliance. The THECB’s review, approval, acceptance of, or payment for any of the services provided in the Contract shall not be construed to operate as a waiver of any of its rights under the Contract, or of any cause of action arising out of the performance of the services required by the Contract.
