1 OVERVIEW OF FUNDING OPPORTUNITY

1.1 PROGRAM TITLE
Nursing Innovation Grant Program (NIGP)

1.2 SYNOPSIS OF PROGRAM
NIGP was established to provide grant funding to eligible programs that propose to address the shortage of registered nurses (RN) by developing or expanding new activities and projects that promote innovation in the preparation of initial RN licensure nursing students and of faculty who may teach in initial RN licensure programs.

This specific Request for Applications (RFA) solicits projects that propose to develop simulation and skills labs to expand program capacity.

1.3 PROGRAM AUTHORITY
The statutory authority for the Nursing Innovation Grant Program is found in Texas Education Code, Section 63.202 (f) and (g), Permanent Fund for Higher Education Nursing, Allied Health, and Other Health-Related Programs, and it directs the Texas Higher Education Coordinating Board (THECB) to award grant funding to programs preparing students for initial licensure as RNs or programs preparing nursing faculty with a master’s or doctoral degree.

1.4 POINT OF CONTACT
All inquiries and communications concerning this RFA should be directed in writing via email to:

Fu-An Lin, Ph.D.
Program Director
Texas Higher Education Coordinating Board
Email: Fu-An.Lin@thecb.state.tx.us
Phone: 512-427-6200

No contact shall be made with other THECB personnel regarding this RFA. Failure to comply with this requirement may result in the disqualification of an Application.

2 AWARD SUMMARY

2.1 MAXIMUM NUMBER OF AWARDS ANTICIPATED AND MAXIMUM AWARD AMOUNT
The THECB expects to award approximately 40 grants (Grant Award), not to exceed $200,000 per Grant Award for the Grant Period.
2.2 GRANT PERIOD

The Grant Period (Grant Period) will begin upon the execution of the Notice of Grant Award (NOGA), which is anticipated to be on or prior to January 1, 2017, and will conclude on December 31, 2018, for a 24-month Grant Period. However, Awarded Applicants will have contractual obligations that extend beyond the Grant Period. At the THECB’s sole discretion, the second year of funding (January 2018 - December 2018) will be contingent upon the Awarded Applicant using the grant funds according to the grant contract terms and conditions; meeting project benchmarks and contractual deadlines; and producing expected outcomes and results in the first year (January 2017 - December 2017) of the Grant Period.

2.3 APPLICATION TIMELINE

The application process for this RFA is anticipated to proceed according to the published application timeline. The THECB reserves the right to revise this timeline or any portion of this RFA by publishing an addendum. A Calendar of Events for the entire Grant Period is in Appendix A.

3 ELIGIBILITY INFORMATION

3.1 ELIGIBLE APPLICANT

An Eligible Applicant (Eligible Applicant or Applicant) is a program, approved by the Texas Board of Nursing, that prepares students for initial licensure as RNs, including nursing programs at Texas public institutions of higher education and Texas independent higher education institutions, as defined in Texas Education Code 61.003. A nursing program currently designated as Conditional Approval by the Texas Board of Nursing is not an Eligible Applicant (Texas Administrative Code, Section 215.4).

3.2 MAXIMUM NUMBER OF SUBMISSIONS BY APPLICANT

An Eligible Applicant may submit a maximum of one (1) Application.

4 APPLICATION SUBMISSION

Applications must be submitted by the Applicant according to the guidelines in Section 10. Applications must be submitted via email to NIGP@thecb.state.tx.us to the Point of Contact listed in Section 1.4, Fu-An Lin.
5 INQUIRIES

All inquiries shall be directed to Fu-An Lin at Fu-An.Lin@thecb.state.tx.us. Applicant must not discuss an Application with any other THECB employee unless authorized by the Point of Contact.

Questions must be submitted in writing by email and received no later than 5:00 p.m. CDT, August 2, 2016. **The subject line of the email containing questions should include (1) “NIGP SIM” and (2) the name of the Applicant institution.**

All responses by the THECB must be in writing in order to be binding. Any information deemed by the THECB to be important and of general interest or which modifies requirements of the RFA shall be sent in the form of an addendum to the RFA to all Applicants that have submitted an Application. All Applicants must acknowledge receipt of all addenda, if any, to this RFA by returning a signed copy of each addendum with the submitted Application.

6 PROGRAM BACKGROUND

In 2014, the THECB issued an RFA to support projects to develop and expand lab and simulation capacity and capabilities in initial RN licensure programs. The 2014 RFA was drafted with stakeholder input, including information from the Texas Board of Nursing and the Texas Center for Nursing Workforce Studies, and focused on the difficulties nursing education programs had in securing adequate clinical sites. Initial RN licensure programs reported clinical sites’ lack of capacity to support increased student enrollment and the programs’ inability to admit all qualified applicants.

Additionally, the results of the Texas Center for Nursing Workforce Studies - 2015 Nursing Education Program Information Survey showed that established nursing programs continued to vary in the number of hours initial RN licensure students spent in didactic, clinical learning experiences, and other activities (see Table 1).

*Definitions:*

**Didactic** – Face-to-face or online delivery of classroom instruction

**Computer Lab** – Separate from didactic; computer activities with planned clinical objectives that may include virtual clinical excursions, interactive tutorials, and learning modules completed as student assignments

**Nursing Skills Lab** – Low- and medium-fidelity situations that include skill sets, task training, and return demonstration, and may mimic the clinical environment

**Simulation Lab** – High-fidelity simulated clinical situations that include orientation, learning objectives, simulation experiences in a realistic patient scenario guided by trained faculty and followed by a debriefing and evaluation of student performance

**Patient Care Clinical Situations** – Faculty-supervised, hands-on clinical practice with actual patients in a clinical setting, including direct care, observational experiences, and clinical conferences

The need remains for further development of less traditional forms of clinical instruction involving emerging technologies in nursing education to maximize enrollment capacity and to address health care agencies’ ability to offer clinical placement. This NIGP RFA aims to continue supporting such efforts.

### 7 ELIGIBLE PROJECTS

Eligible Applicants will propose to develop and/or expand their capacity to use simulation and skills labs in initial RN licensure clinical instruction. Note the following full definition of “simulation” from the Texas Board of Nursing:

**Simulation** – activities that mimic the reality of a clinical environment and are designed to demonstrate procedures, decision-making, and critical thinking. A simulation may be very detailed and closely imitate reality, or it can be a grouping of components that are combined to provide some semblance of reality. Components of simulated clinical experiences include providing a scenario where the nursing student can engage in a realistic patient situation guided by trained faculty and followed by a debriefing and evaluation of student performance. Simulation provides a teaching strategy to prepare nursing students for safe, competent, hands-on practice, but it is not a substitute for faculty-supervised patient care. (Texas Administrative Code, Section 215.2)

The overall goals of a proposed project are to shift clinical hours from traditional patient care clinical situations to simulation activities, to enhance students’ readiness for hands-on patient care, and to increase student enrollment and retention. Costs associated with the project are limited to expenses that support the shift to simulation activities. In addition to simulation equipment, Applicants are strongly encouraged to address professional development of faculty and enhancement of the curriculum and simulation scenarios.

#### 7.1 PRIORITY PROJECTS

In addition to addressing the overall goals in Section 7, an Applicant that proposes to decrease the total number of contact hours of clinical instruction and increase the capacity of faculty to conduct simulation instruction may receive up to 20 points during application evaluation.

### 8 PROJECT REQUIREMENTS

#### 8.1 ELIGIBLE PROJECT DIRECTORS

Each Eligible Applicant shall name two (2) project directors and include their contact information on the Cover Page (Application Form 1).
The project directors are responsible for implementing and overseeing the proposed project, and shall be full-time educators (including tenure- and non-tenure track faculty) or institutional administrators with administrative and practical experience with nursing clinical instruction. The Applicant is strongly encouraged to include one project director to design and implement the project and the second project director to manage and oversee project evaluation.

8.2 PROJECT LENGTH

The planning, implementation, and evaluation of the project must be completed within the Grant Period, which ends on December 31, 2018. However, Awarded Applicants will have contractual obligations that extend beyond the Grant Period.

8.3 FUNDING RESTRICTION

NIGP funds shall not be substituted for any other funds available to the Applicant or any project partners.

8.4 ALLOWABLE COSTS AND RESTRICTIONS

8.4.1 Allowable Cost Categories. The Applicant should refer to Section 10.5.2 for instructions for specific budget categories. The THECB shall negotiate a final budget with each Awarded Applicant. The following are common costs that will be allowed in the project budget:

- Faculty development and training
- Faculty and staff release time for curriculum and course redesign
- Professional simulation consulting services
- Stipends for graduate assistantships working in simulation and skills labs
- Capital and non-capital equipment, including required supporting software
  - Equipment, including software, with a unit price higher than $5,000 purchased with NIGP funds must be delivered on or prior to June 30, 2017. The THECB will not provide reimbursement if the equipment is not delivered by the deadline.
- Facility renovation
  - Renovation work supported with NIGP funds must be completed on or prior to December 31, 2017. The THECB will not provide reimbursement if the work is not completed by the deadline.
- Renewable instructional licenses for faculty or students

8.4.2 Prohibited Costs. The following kinds of costs shall not be included in the proposed budget or be paid with NIGP funds:

- Costs incurred prior to the Grant Period
- Salaries or other stipends for release time that are calculated at a higher pay rate than that which an individual normally receives in a position (or in a similar position). Costs for staffing must reflect institutional salaries of the Eligible Applicant or partner appropriate to the tasks that will be performed and to the length and time spent on the project.
- Warranties, protection plans, and service contracts
- Scholarships, loan assistance, stipends, or other forms of financial assistance for students (Stipends for graduate assistantships working in simulation and skills labs are allowed.)
- Foreign travel
- Indirect costs
- Supplies that are considered consumables
- Food and beverages
- Travel not consistent with state of Texas guidelines
8.4.3 Cost Restrictions. The Awarded Applicant may not charge any of the following costs to the grant without prior written approval from the THECB:

- Equipment, software, licenses or subscriptions not specifically itemized in the awarded Application
- Domestic travel not specifically itemized in the awarded Application
- Salaries and fringe benefits for faculty and staff needing release time other than those specifically identified in the awarded Application
- Budget transfers across Budget Categories A, B, C, D, E, and F that cumulatively exceed 15 percent of the total Grant Award during the Grant Period

9 SELECTION CRITERIA AND SCORING OF APPLICATIONS

This RFA is competitive. It is designed to issue Grant Awards that provide the best overall value to the state and in accordance with the goals of the RFA. General selection criteria shall be based on project quality, as determined by reviewer criteria, and other factors, including cost of the project, ability to continue the project after the Grant Period, and past performance on THECB grants.

Reviewers will use selection criteria totaling 170 points to score applications. The criteria are listed on the Evaluation Form in Appendix B.

10 APPLICATION FORMAT AND CONTENT

10.1 APPLICATION FORMAT

The Application shall be submitted, with signatures, as one file in PDF format, containing Application Forms 1-5. The file name shall read as the initials of the Applicant institution. Application.pdf (e.g., UNT.Application.pdf).

See Appendix C for the required Application Forms. The Application Forms are available as Word documents on the THECB website. Please do not alter the Application Forms; such alternations may result in the disqualification of the Applicant.

10.2 COVER PAGE (Application Form 1)

The Cover Page provides general information about the Application and includes authorized signatures. The authorized institutional representative shall be an individual who is legally authorized to bind the Applicant institution.

10.3 PROJECT NARRATIVE (Application Form 2)

The Project Narrative, limited to seven pages, should address the following topics (included as headings on the Form) and provide information needed to properly describe the proposed project.

10.3.1 Project Scope and Description

Explain how NIGP funding, if awarded, would enhance your nursing program’s capacity to use simulation and skills lab instruction. Describe the program’s current use of simulation and skills labs, along with existing funding that supports such usage. In addition, identify and describe the needs, including any focus on a specific program track and/or clinical courses, that will be addressed in the proposed project. For example, if the lack of trained faculty is a challenge,
elaborate on the number of faculty and courses using simulation. If equipment is a challenge, discuss the program’s current equipment inventory and what could be added to advance clinical instruction.

10.3.2 Project Goals
Specify the goals of your proposed project. The goals should be linked to your Project Scope and Description, and should address, at a minimum, the shift of clinical hours from traditional patient care clinical situations to simulation activities and the enhancement of students’ readiness for hands-on patient care.

10.3.3 Implementation Methodology
Describe in detail how the project will achieve the proposed goals. Outline a progression of related activities and strategies during the Grant Period; use the Timeline (Application Form 3) to provide greater detail. Include pertinent information to support the choice of activities and strategies.

If the project proposes to decrease the total number of contact hours of clinical instruction and/or to increase the capacity of faculty to conduct simulation instruction, your description should include how such goals will be achieved.

10.3.4 Project Evaluation
Explain how the project will demonstrate whether the proposed goals have been successfully achieved. Your description should be linked to your Project Scope and Description, Project Goals, and Implementation Methodology; address the Required Performance Measures listed in Section 10.6.2; and specify the type of information/data to be collected.

10.3.5 Contextual Information
Complete the table included in the Project Narrative form by providing the requested information for your initial RN licensure program. The information should reflect the most current data available to the Applicant, and the semester associated with that information should be identified in the table. If your program offers different tracks and your proposed project focuses on a specific track, provide information for that specific track.

10.3.6 Sustainability
Describe how your nursing program will continue the project or similar activities after the Grant Period ends.

10.4 TIMELINE (Application Form 3)

The Timeline, limited to three pages, provides an outline of the key activities and benchmarks for the project in a chronological order. Each entry in the timeline should have the following:
- Dates for accomplishing each activity
- A brief description of the activity and identification of the responsible person or position (shown in parentheses following the description)
- The expected results

While the Applicant has some discretion as to which activities to highlight, the Timeline shall have entries for the following activities:
- Significant purchases, including those with a unit price higher than $5,000
- Facility renovation
- Data collection
- Project approval by the Institutional Review Board and any regulatory body, if applicable
- Significant hires, if applicable
- A signed contract with any compensated partner, if applicable

**10.5 BUDGET (Application Form 4)**

This form, limited to two pages, describes budget items of the project in sufficient detail so that a reviewer can determine the appropriateness and rationale for the proposed costs. The budget items should be consistent with the goals, activities, and strategies described in the Project Narrative (Application Form 2).

**10.5.1 General Instructions**

- The Applicant should review Sections 8.3-8.4 of this RFA before completing this two-page form.
- Totals should represent costs for the 24-month period from approximately January 1, 2017, upon execution of the NOGA to December 31, 2018, and should match the information entered on the Cover Page. Please round up to the nearest dollar.
- The THECB shall negotiate a final budget with each Awarded Applicant.

**10.5.2 Instructions for Specific Budget Categories**

Under a budget category, each row should represent a major cost. The text under each row should describe the cost and its function, and explain how the cost is calculated. For the total in each budget category, please round up to the nearest dollar.

Definitions and reporting formats:

A. **Faculty and Staff Release Time for Curriculum and Course Redesign** – wages, salaries, and fringe benefits of employees at the Applicant that enable the work on curriculum and course redesign to support the shift of clinical hours to increased simulation. Entries shall be itemized for specific employees (e.g., project director’s salary) or categories of employees (e.g., support staff salaries).

B. **Equipment (Including Software)** – detailed description and justification of each proposed item. If multiple purchases of the same item are proposed, the entry shall include the total cost and the unit price information as \([\text{number of items} \times \text{unit price}]\).

C. **Facility Renovation** – detailed description, location, and justification of the work. Entries shall be itemized and, if applicable, list the unit price and total number of each item requested.

D. **Faculty Development** – description and justification of each proposed item. If proposed training opportunities require domestic travel, the entries shall be itemized by specific trip (e.g., June 2017 simulation conference in Dallas). The THECB will not fund travel to professional conferences that are not relevant to the stated goals of this RFA or the proposed project.

E. **NIGP Grant Meetings** – costs associated with employees of the Applicant attending two meetings at the THECB during the 24-month Grant Period (The meeting dates are listed in Appendix A). The meetings are expected to begin at 10:00 a.m. and end by 4:00 p.m. **For the first meeting, please include travel costs for both project directors, as their attendance will be required.** If staff at the Applicant institution have limited experience with NIGP grant requirements, it is strongly recommended that an additional institutional representative who will be providing administrative oversight and support to the NIGP-funded project also attend the first meeting.

F. **Other Direct Costs** – all other costs not included in Categories A-E. Budget items included in this category shall be subject to special review by THECB staff.
10.6 PERFORMANCE MEASURES AND OUTCOMES (Application Form 5)

10.6.1 General Instructions and Definitions
This form, limited to three pages, projects outcomes of key performance measures that are quantifiable and aligned with the project’s goals. The outcomes of these measures should indicate the extent of the project’s success. Performance measures that are required for all NIGP-funded projects are specified in Section 10.6.2. The evaluation of the project and the reporting of its outcomes should follow the Family Educational Rights and Privacy Act (FERPA) regulations and guidelines.

Note the following definitions:

- **Goals** – the most significant achievements anticipated from the project. They should be identical to the goals described in the Project Narrative form.
- **Baseline** – the measure of the targeted population at the beginning of the project. Applicants may use the information pertaining to the cohort immediately prior to the project as the baseline.
- **Outcomes** – the baseline measure plus the increase or decrease relevant to the population based on the performance measure and goal.

10.6.2 Required Performance Measures
The following three performance measures are required for each NIGP-funded project under this RFA:

- Percentage of decrease in contact hours in hands-on patient care clinical situations *per targeted clinical course*
- Percentage of increase in clinical hours in simulation *per targeted clinical course*
- Student competency achieved *per targeted clinical course* as measured by a specific clinical evaluation tool or instrument

The above measures shall be included under Goal 1 and Goal 2 in Application Form 5, Performance Measures and Outcomes. Applicants shall create one performance measure entry for each clinical course targeted in the proposed project. For each performance measure, include a baseline and *proposed* outcomes for both Year 1 and Year 2. (Awarded Applicants will report *actual* outcomes in the interim and final reports, which are discussed further in Section 11.22 of this RFA.)

Each performance measure concerning student competency achieved shall name the evaluation tool or instrument to be used and specify aggregated outcomes for the targeted clinical course (e.g., average test scores, percent of students meeting objectives).

10.6.3 Additional Performance Measures
If your project proposes to decrease the total number of contact hours of clinical instruction and/or to increase the capacity of faculty to conduct simulation instruction, pertinent performance measures should be included, along with baselines and proposed outcomes, under Goal 3 and Goal 4. For each of these two goals, Applicants should identify a maximum of three performance measures, along with a baseline and *proposed* outcomes for each performance measure. (Awarded Applicants will report *actual* outcomes in the interim and final reports.)

In incorporating additional goals and performance measures, an Applicant should include measures that align with the corresponding goal and represent the most relevant data that can
be collected and reported to the THECB near the end of the first year of the Grant Period and/or at the end of the Grant Period. Except for the three required performance measures listed in 10.6.2, Applicants are allowed to include measures that only report outcomes for the second year of the Grant Period.

11 PROVISIONS AND ASSURANCES

11.1 COST OF APPLICATION PREPARATION

All costs associated with the preparation and submission of an Application for this RFA are the responsibility of Applicant. These costs shall not be chargeable to the THECB by any successful or unsuccessful Applicant.

11.2 APPLICATION DELIVERY AND LATE APPLICATIONS

11.2.1 Applications must be submitted by an authorized agent of the Applicant.

11.2.2 Applications shall be considered to be “on time” if they are received on or before the date and time of established deadlines. The Applicant shall be solely responsible for ensuring that the Application is received by the THECB prior to the deadlines outlined in Section 4. The THECB shall not be responsible for failure of electrical or mechanical equipment, operator error, or inability of an electronic delivery agent to deliver an Application prior to the deadline. Failure to respond in a timely manner to this RFA shall result in Applicant losing the opportunity to receive a Grant under this program. A late Application, regardless of circumstances, shall not be evaluated or considered for award.

11.3 CONFLICT OF INTEREST

Applicants must disclose any existing or potential conflicts of interest relative to the performance of the requirements of this RFA. Failure to disclose a conflict of interest may be cause for disqualification of an Application or termination of a Contract resulting from this RFA. If, following a review of this information, it is determined by the THECB that a conflict of interest exists, Applicants may be disqualified from further consideration.

11.4 CONTRACT

11.4.1 Submission of an Application confers no rights of an Applicant to an award or to a subsequent Contract, if there is one. The issuance of this RFA does not guarantee that a Contract will ever be awarded. The THECB reserves the right to amend the terms and provisions of the RFA, negotiate with Applicant, add, delete, or modify the Contract and/or the terms of Application submitted, extend the deadline for submission of Application, or withdraw the RFA entirely for any reason solely at the THECB’s discretion. An individual Application may be rejected if it fails to meet any requirement of this RFA. The THECB may seek clarification and additional documentation from the Applicant at any time, and failure to respond within a reasonable time frame is cause for rejection of an Application.

11.4.2 Upon execution of a Contract resulting from this RFA, the term ‘Applicant’ shall have the same meaning as ‘Awarded Applicant’ or ‘Grantee.’ Likewise, the terms ‘Request for Applications’ and ‘Application’ shall have the same meaning as the term ‘Contract.’
11.5 PAYMENT TERMS

Payments shall be provided on a cost reimbursement basis. Awarded Applicant will submit expenditure reports on July 14, 2017; October 5, 2017; January 23, 2018; and July 16, 2018. The final expenditure report is due on March 15, 2019. Payment shall be based upon actual expenditures of the project, up to the amount provided by the Grant Award. All grant-related expenses must be incurred on or prior to December 31, 2018.

At the THECB’s sole discretion, the second year of grant funding will be contingent upon the Awarded Applicant using grant funds appropriately, meeting project benchmarks and contractual deadlines, and producing expected outcomes and results in the first year of the Grant Period.

11.6 GRANT EXTENSION

Grant Extensions are not allowed under this RFA.

11.7 PROPRIETARY INFORMATION

During the performance of a project implemented under a Contract resulting from this RFA, Awarded Applicant may have access to data, information, files, and/or materials (collectively referred to as “data”), which are the property of the THECB. These data shall be handled in a method that concurs with the Family Educational Rights and Privacy Act (FERPA) regulations and guidelines.

Applicant agrees to comply with FERPA, 20 U.S.C. Section 1232g, and the implementing federal regulations, 34 CFR Part 99. Applicant agrees (1) to protect any confidential student information it receives or accesses that could make a student's identity traceable, and (2) any confidential data analysis or report shall not be disclosed to any third party without the THECB’s prior written consent.

Awarded Applicant shall have a system in effect to protect all data received or maintained in connection with the activities of this RFA. Awarded Applicant agrees to use its best efforts to preserve the safety, security, and integrity of the data, and to ensure the privacy and confidentiality of all data. Any disclosure or transfer of proprietary information by Awarded Applicant shall be in accordance with applicable federal or Texas law.

11.8 RELEASE OF INFORMATION BY AWARDED APPLICANT

11.8.1 FERPA. Awarded Applicant shall NOT release any data that is not FERPA compliant. Failure to follow the guidelines established may result in immediate termination of the Contract.

11.8.2 Prior Notification. Publication, including presentations, is encouraged; however, Awarded Applicant agrees to notify the THECB prior to the publication of any information, including results, findings, or reports, regarding the activities being conducted under any Contract/Grant resulting from this RFA.
